

# The E.A.S.Y Start Package

## Business Outsourcing Consulting

### What's Involved?

Four 60 minute sessions to help you understand the benefits of outsourcing for YOUR business, identify what tasks could be outsourced, create action plans around these tasks, then systemise and help you find and engage the right resources to fulfil those tasks!

### What is covered in your four E.A.S.Y Start Package sessions?

<b>E</b>	<b>Explore</b> and identify what tasks you enjoy, dislike, are mundane and could be done by someone else. Explore the costs involved in outsourcing these tasks for your business. Categorise these tasks to help form the basis of an outsourcing action plan.
<b>A</b>	<b>Action Plan</b> time! This helps you see clearly the how, when, where, why and how much, of outsourcing the identified tasks, and will form the basis of the systems that start to get implemented in order for you to outsource this task.
<b>S</b>	This session gives you the tools to <b>systemise</b> the tasks that are needed before they are outsourced.
<b>Y</b>	<b>YIPPEE!!!</b> In this session we help find you the right resources and engage those resources (YES we will recruit you a VA at no extra cost!) so that you can then manage them on your own. This final session shows you the basics of how to manage outsourced resources for LONG TERM success in your business.

### How much do the sessions cost?

VIRTUAL ELVES  
outsourcing that creates space

#### Testimonial from Dr Sharon Franklin – NSO

*Kristy and Virtual Elves have literally changed my life. They have taken in hand and begun resolving/organising all the issues/things about my business that were keeping me up at night. So not only do I now get to sleep (hooray!), I have the time and energy to focus on what I love: helping Mums and babies.*

*Thank you Kristy and Virtual Elves!*
